3rd Decr. 1951

The Hon'ble Minister for Development,
Govt. of Madras, Fort. St. George,
Madras.

Sir,

Sub: Mining-Mining lease in favour of the Prithvi Min
Syndicate Ltd., of 650 acres 19 cents in Aligilawada
"A" block, Bellary Dt.Ref: G.O.No.4302 dated 26.10.50-Bellary Collector's
proceedings R.G.2190/50 A1 dated 21.12.50 *mc*

With reference to the above lease, the lessee submits as follows:

We, Messrs. Prithvi Mining Syndicate Ltd., were granted a lease
over an extent of 650 acres 19 cents in Aligilawada "A" block, Hx
Harapanahalli Taluk, Bellary District under G.O.4302 Development*pp 31-32*
cf Department dated 26.10.50. The Collector in his proceedings
R.C.2190/50A dated 21.12.50 permitted us to commence mining*rel*
5
operations. A sketch covering the entire area of 650 acres 19
cents is enclosed herewith. We found in the course of mining operations
that it would be worth while to continue mining operations only in
the limited area of 50 acres marked in the sketch enclosed. In our
opinion there is no high grade manganese ore in the remaining
portions of the area. We do not therefore propose mining beyond the
these fifty acres. Consequently we beg leave to surrender the
remaining area of 600 acres.The lease deed in respect of this lease has not yet been
finalised and executed.

Our Ref.

(2nd)

We therefore pray that the lease granted under G.O.4302 Development Department dated 26.10.50 be confined to the area, particularly marked in the sketch, comprising about 50 acres and the lease document modified accordingly and the lease finalised and executed for this area alone.

Under the rules we should pay dead rent at Rs.10/- per acre from the second year of the lease viz. from 21.12.1951. We do not want to pay dead rent for the 600 acres referred to above, in which we do not expect any manganese and which we are not going to work. To facilitate this we request that our surrender of the said 600 acres out of the total area of 650 acres may be ordered to take immediate effect or at any rate from 21.12.51.

Thanking you,

Yours faithfully,

Ref: Government Memo No.132887 J/51 dated 6-12-1951.
Board's Ref.L.12224/51-1 dated 10-12-1951.

Messrs. Prithvi Mining Syndicate Ltd., had been granted a M.L. to prospect for and mine manganese ore for a period of twenty years over an area of 650-19 acres in S.Nos.103 and 104 of Algilwada village, and S.No.381-A1 in Kadathi village of Harpanahalli taluk. The Syndicate has now proposed to limit the area of the M.L. to 50 acres according to the sketch submitted by it; on the ostensible ground that there is no high grade manganese ore in the remaining portions of the original area granted.

(L) A | In the sketch enclosed, portions marked "A", "B" and "C" comprise the area of 650-19 acres granted to the syndicate. The syndicate wants now to retain the portion marked 'C' in the sketch which is in S.No.381 A1 of Kadathi village, and which measures about 50 acres. It desires to relinquish the other portions marked 'A' and 'B'.

B | In this connection I submit that two applications for the grant of P.Ls have been received in my office on 21-12-1951 from Messrs. Chari and Chari Ltd., Madras. One application is for the portion marked 'A' and the other is for the portion marked 'B'.

C | It is ascertained that the managing director of Messrs. Chari and Chari Ltd., Madras are also the directors of the Prithivi Mining Syndicate and they do not want to part with the original extent of 650-19 acres. Their main idea in relinquishing some portions in the name of the Prithivi Mining Syndicate seems to be just to avoid payment of the dead rent over the complete area of 650-19 acres, while retaining control and priority right over the relinquished areas by applying for P.L's in the name of Messrs. Chari and Chari Ltd., Madras.

D | In the above circumstances I submit that it is not desirable to comply with the request of the Prithivi Mining Syndicate.

In G.O.Ms.4302 Dev. d/26/10/50, a mining lease for manganese was granted to M/s. Prithvi Mining Syndicate over an extent of 650.19 acres in S.Nos.103 and 104 of Alagilawada village and S.No.381-A1 of Kadathi village in Harpanahalli Taluk, Bellary district. They were also granted temporary permission to work the mines pending execution of the lease deed in the proper form. In their petition on p.1 CF M/s. Prithvi Mining Syndicate have stated that they do not propose to mine beyond a limited area of 50 acres marked in the sketch as there is no high grade manganese ore in the remaining portion of the area. Consequently they propose to surrender the remaining area of 600 acres.

The Collector of Bellary who was consulted in the matter has reported that in the sketch ^{sent up at (L)} enclosed, portions marked 'A' 'B' and 'C' comprise the area of 650.19 acres granted to the Syndicate. The Syndicate wants now to retain the portion marked 'C' in the sketch ^{at (L)} which is S.No.381 A1, of Kadathi village and which measures about 50 acres. It desires to relinquish the other portions marked 'A' and 'B'. Incidentally the Collector has reported that he has received two applications for the grant of prospecting licences from Messrs. Chari and Chari Ltd, one for the portion marked 'A' and the other for portion marked 'B'. The Collector of Bellary has in this connection stated that the managing director of M/s. Chari and Chari Ltd, Madras, is the Director of Prithvi Mining Syndicate and they do not want to part with the original extent of 650.19 acres. Their main idea in relinquishing some portions in the name of Prithvi Mining Syndicate seems to be just to avoid payment of the dead rent over the complete area of 650.19 acres while retaining control and priority over the relinquished areas by applying for prospecting

licences in the name of M/s. Chari and Chari Ltd, Madras. The Collector of Bellary has therefore suggested that it is not desirable to comply with the request of M/s. Prithvi Mining Syndicate.

The D.I & C. who was consulted has stated that since the two companies are separate corporate bodies the mere fact that the Managing Director of one Company is on the Directorate of the other, cannot be a ground for negating the request for relinquishment of a portion of the existing lease. The D.I & C. therefore suggests that the lease granted to M/s. Prithvi Mining Syndicate may be modified as requested by them.

It is therefore for orders whether the recommendation of the D.I & C. will be accepted and the request of M/s. Prithvi Mining Syndicate Ltd, for reduction of the area, granted
